

INSTALLING THE USW 131 APP ON AN ANDROID DEVICE

1. Install the App:

- Tap "[Android Install](#)"
- If you see a warning message, tap OK.

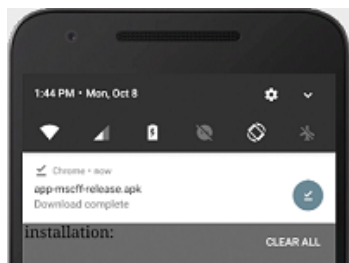

2. Download & Open File:

- Wait for the USW 131 app file to finish downloading. A message indicating completion will appear at the bottom. Tap OPEN.

****If you miss the OPEN link****

- Swipe down from the top-left corner to view your notifications.
- Tap the notification with a checkmark to begin the app installation.

- Proceed with steps #3 and #4.

3. Begin Installation:

- You'll be prompted to install the USW 131 app. Tap the Install link in the bottom right corner.

4. Launch the App:

- Once installation is confirmed, tap Open to launch the USW 131 app. An icon for the app will also be added to your device.

If you need, you can watch a SAMPLE installation video here:
